

## ANNOUNCEMENT

# Public Consultation on the Regulatory Framework for Electric Vehicle Supply Equipment (EVSE) - Technical Regulations and Guidance

The Regulation and Supervision Bureau for the Water, Wastewater and Electricity Sector in the Emirate of Abu Dhabi (the Bureau) hereby notifies all interested parties of its intention to issue an Addendum to the current Electricity Wiring Regulations (Third Edition) for Electric Vehicle Supply Equipment (EVSE) Technical Regulations and an Installation Guidance for EVSE.

The Bureau would like to invite comments and feedback on the Addendum and Installation Guidance from all interested parties involved in the supply, design, construction, installation, testing, maintenance or operation of EVSE installations in any premises. We encourage any interested party to use this opportunity to communicate their views to the Bureau.

An electronic version of the consultation document may be viewed and downloaded from the RSB website at <http://www.rsb.gov.ae>.

Interested parties are requested to provide their comments and feedback on the Regulations in writing by no later than **19 December 2016**.

Comments and feedback should be sent to the following addresses:

- a) if sent by email to: [powerwise@rsb.gov.ae](mailto:powerwise@rsb.gov.ae); or
- b) if sent by mail to: Regulatory Framework for Electric Vehicle Supply Equipment (EVSE) – Technical Regulations and Guidance, Regulation and Supervision Bureau, P.O. Box 32800, Abu Dhabi.
