

ANNOUNCEMENT

Public Consultation on the Customer Metering Regulations (Second Edition)

The Regulation and Supervision Bureau for the Water, Wastewater and Electricity Sector in the Emirate of Abu Dhabi (the Bureau) hereby notifies all interested parties of its intention to issue the Second Edition of the Customer Metering Regulations that sets the conditions and requirements of metering equipment installed at customers' premises for the purpose of providing metering and billing services for the supply of water, electricity and recycled water.

The Bureau would like to invite comments and feedback from all interested parties and in particular those involved in the supply, construction, installation, testing, manufacturing, maintenance and operation of metering equipment and any person who might be affected by the proposed changes included in the Customer Metering Regulations (Second Edition).

An electronic version of the consultation document may be viewed and downloaded from the RSB website at <http://www.rsb.gov.ae>.

Interested parties are requested to provide their comments and feedback on the Regulations in writing by no later than 05 December 2017. Comments and feedback should be sent to the following addresses:

- a) if sent by email to: amashjari@rsb.gov.ae; or
- b) if sent by mail to: The Regulation and Supervision Bureau, P.O. Box 32800, Abu Dhabi.
